**DIMENSIONS**

**MAINTENANCE AND CARE**

**SYNTHETIC WEAVE**

You can use your HPL side tables inside as well as outside. Dirt does not easily stick to the material, which makes your side tables easy to maintain. Use a damp cloth and water to clean spilled solutions. The quicker you remove them, the easier.

**STEEL**

For the outdoor pieces, the steel is always epoxy coated and powder coated to make sure it is protected from all-weather influences.

**VARIANTS**

ROZY	ITEM CODE	FINISH	PACKAGE DIMENSION (cm/inch)		CBM (m <sup>3</sup> /ft <sup>3</sup> )	WEIGHT (kg/lb)	
side table	GT001	black hpl	48 x 56 x 56	19 x 22 x 22	0,15 5.32	9,5	20.94
