„BackpackPro“

Tool backpack for the professional user, empty, water and dirt resistant, material: extra strong 1680D polyester, colour: black with green stitching.

Art. no. 220265

440 x 500 x 220 mm

✓ 3 compartments can be hinged upwards to the ground; optimal use of every compartment:

1 front: without further inner compartments, flexible use for small tool and consumable boxes, or tablet/laptop

2 middle: compartments for tools, e.g. screwdriver, pliers

3 rear: compartments with pockets and flaps for tools or notebook + accessoires, e.g. mouse etc.

✓ padded shoulder straps; adjustment to the user's body height

✓ lap belt for good stability and relief of the shoulder

✓ padded back area

✓ mounting possibility for trolleys

✓ smooth running zipper, easy to use with gloves

✓ special: removable pad for working in a kneeling or sitting position

- fits the requirement from practice
- high wear comfort, light
- extra strong material
- water and dirt resistant
- diverse applications
- 3 separate compartments (neatness and protection)
- ideal and durable daily companion
